Build Your Own Town!

Draw it, build it, design it on your computer/tablet - however you choose. Design your own town but don't forget to include some important buildings that help keep your community running! Name each one of your companies or businesses and THEN list who would work here. For example: A hospital employs Nurses, Doctors, Janitors, etc.

Name of your town: _____

Places to include:	Business Name:	Who works here?
Grocery Store		
Hospital		
School		
Restaurant		
Factory		
Gym		
Auto Repair Shop		
Credit Union/Bank		
Public/City Services
